**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (each, a “Debtor,” and collectively, the “Debtors”) are filing their respective Schedules of Assets and Liabilities (collectively, the “Schedules”) and Statements of Financial Affairs (collectively, the “Statements,” and together with the Schedules, collectively, the “Schedules and Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Court”). The Debtors, assisted by their professional advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the “Bankruptcy Code”), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methodology and Disclaimer regarding the Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements. These Global Notes should be referred to as part of, and reviewed in connection with, any review of the Schedules and Statements.²

The Schedules and Statements have been prepared based on information provided by the Debtors’ management and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on unaudited financial data derived from their books and records that was available at the time of preparation. The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of such financial information. However, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions or inaccuracies may exist. The

¹ The Debtors and the last four digits of their respective taxpayer identification numbers are as follows: BeavEx Holding Corporation (7740); BeavEx Acquisition, Inc. (5497); BeavEx Inc. (7355); JNJW Enterprises, Inc. (4963); and USXP, LLC (2997). The headquarters for the above-captioned Debtors is located at 2120 Powers Ferry Road SE, Suite 300, Atlanta, GA 30339.

² These Global Notes are in addition to any specific notes that may be contained in each of the Schedules or Statements. The fact that the Debtors have prepared a general note herein with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such general note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

Debtors and their estates reserve all rights to amend or supplement their Schedules and Statements.

Reservation of Rights. Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases, including, but not limited to, any issues involving objections to claims, setoff or recoupment, credits, allowances, substantive consolidation, equitable subordination, defenses, characterization or recharacterization of contracts, leases and claims, assumption or rejection of contracts and leases and/or causes of action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid transfers. At the time of the filing of the Schedules and Statements, the Debtors are continuing to reconcile certain liabilities. The Debtors further reserve all rights to amend, reclassify, supplement, delete or otherwise modify items included in the Schedules and Statements.

Notwithstanding anything to the contrary contained in the Schedules and Statements or these Global Notes, (i) listing a claim as secured, unsecured priority or any other classification may not constitute an admission by the Debtors and their estates of the legal rights of any claimant, or a waiver of the rights of the Debtors and their estates and (ii) listing a claim on the Schedules does not constitute an admission of liability by the Debtors and their estates, and the Debtors and their estates reserve all rights to amend the Schedules. Any failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor and its estate that such amount is not "disputed," "contingent" or "unliquidated."

"As of" Information Date. Unless otherwise indicated herein or in the Schedules and Statements, all financial information for the Debtors in the Schedules and Statements and these Global Notes is provided as of February 18, 2019 (the "Petition Date") or as close thereto as reasonably practicable under the circumstances.

Basis of Presentation. The Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements prepared by the Debtors. Therefore, combining the assets and liabilities set forth in the Schedules and Statements could result in amounts that could be substantially different from any financial information regarding the Debtors prepared on a consolidated basis under GAAP. Unlike any consolidated financial statements, the Schedules and Statements, except where otherwise indicated herein or in the Schedules and Statements, reflect the assets and liabilities of each Debtor on a non-consolidated basis, where possible.

Current Market Value – Net Book Value. In many instances, current market valuations are neither maintained by, nor readily available to, the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests that are not maintained or readily available. Accordingly, unless otherwise indicated herein or in the Schedules and Statements, the Schedules and Statements reflect the net book values, rather than current market values, of the Debtors' assets as of the Petition Date (unless another date is indicated herein or in the Schedules and Statements) and may not reflect the net realizable value.

First Day Orders. Pursuant to various “first day” orders and any supplements or amendments to such orders entered by the Court (each, a “First Day Order,” and collectively, the “First Day Orders”), the Debtors and their estates are authorized to pay certain prepetition claims, including, without limitation, certain claims relating to employee wages and benefits, non-employee independent contractors, non-employee third-party service providers, taxes and fees, insurance programs, and customer programs. Except to the extent that these parties have claims in excess of the authority granted to the Debtors under the First Day Orders or to the extent otherwise specified herein, the Debtors have not included such claims in the Schedules and Statements to the extent that they were paid pursuant to a First Day Order prior to the filing of the Schedules and Statements.

Unknown or Undetermined Amounts. Where a description of an amount is left blank or is listed as “unknown” or “undetermined,” such response is not intended to reflect upon the materiality of such amount. Certain amounts related to goods held or assets, whether owned or held by the Debtors on behalf of third parties, are unknown and unknowable.

Estimates. To timely close the books and records of the Debtors and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses.

Guaranties and Other Secondary Liability Claims. Guaranties and other secondary liability claims (collectively, the “Guaranties”) with respect to the Debtors’ contracts and leases may not be included on Schedule H, and the Debtors believe that certain Guaranties embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments, and similar agreements may exist. Therefore, the Debtors and their estates reserve all rights to amend the Schedules to the extent additional Guaranties are identified.

NOTES FOR SCHEDULES

Schedule A/B – Assets – Real and Personal Property. Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their respective causes of action or potential causes of action against third parties as assets in their respective Schedules and Statements, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid transfers. The Debtors and their estates reserve all of their rights with respect to any claims and causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims and causes of actions, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.

Schedule A/B 60. The value of the Debtors’ trademarks and other intellectual property is maintained on an aggregate basis within the Debtors’ books and records. Accordingly, the Debtors have determined the aggregate value of such assets but are unable to allocate such value to any individual asset, the values of which are listed in the Schedules as unknown.

Schedule A/B 63.1. The value of the customer lists for USXP, LLC are consolidated within the books and records for BeavEx Incorporated and are included in the Schedule for BeavEx Incorporated.

Schedule A/B 72. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to net operating losses and taxable income in the years in which those temporary differences and carry-forwards are expected to be recovered or settled. A valuation allowance is established when necessary to reduce deferred tax assets to amounts expected to be realized. The Debtors' tax return preparer has not yet completed the most recent fiscal year's schedule of allowances on deferred tax assets arising from net operating losses and for investment tax credits. Accordingly, the amounts contained in the Schedule A/B 72 are estimated amounts based off of the most recent schedule from fiscal year 2017.

Schedule D – Creditors Who Have Claims Secured by Property. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors and their estates reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any of the Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that either is or becomes final, the Debtors and their estates reserve all rights to dispute or challenge the secured nature of any such claim or the characterization of the structure of any transaction, document or instrument related to any such claim. The descriptions provided in Schedule D are intended only to be a summary.

The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, inchoate statutory lien rights, or real property lessors, utility companies and other parties which may hold security deposits.

By listing a party on Schedule D based on a UCC-1 filing, the Debtors and their estates are not conceding that such party actually holds a perfected, unavoidable security interest in the asset that is the subject of such filing, and reserve all rights as set forth in these Global Notes.

Certain of the amounts listed for parties on Schedule D may not be reflective of any accrued and unpaid interest, prepayment premiums, and other similar fees or expenses that such parties may be entitled to.

Schedule E/F – Creditors Who Have Unsecured Claims.

Except for employee claims on account of accrued paid time off, the Debtors have not listed in Schedule E/F any claim for which the Debtors have been granted authority to pay pursuant to a First Day Order to the extent that it has been or will be paid because such claims either have been, or will be, satisfied in the ordinary course of business during these chapter 11 cases. Claims on account of accrued paid time off are listed as of the Petition Date. However certain employees may have used some or all of their paid time off since the Petition Date.

Part 1

The Debtors and their estates reserve all rights to dispute or challenge whether creditors listed on Part 1 of Schedule E/F are entitled to priority claims.

Part 2.

Certain creditors listed on Part 2 of Schedule E/F may owe amounts to the Debtors. As such, the Debtors and their estates may have valid setoff and recoupment rights with respect to such amounts, which rights are not reflected on Part 2 of Schedule E/F. Also, the amounts listed on Part 2 of Schedule E/F reflect known prepetition claims as of Petition Date. Such amounts do not reflect any rights of setoff or recoupment that may be asserted by any creditors listed on Part 2 of Schedule E/F, and the Debtors and their estates reserve all rights to challenge any setoff and recoupment rights that may be asserted against them. The Debtors and their estates reserve all rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of Schedule E/F.

As noted above, certain claims listed on Part 2 of Schedule E/F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code, and the Debtors and their estates reserve all rights with respect to any such claims.

The Debtors have used commercially reasonable efforts to include all creditors on Part 2 of Schedule E/F. However, the Debtors believe that there are instances in which vendors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and not tracked on a vendor by vendor basis. Accordingly, these amounts may not have been included on Part 2 of Schedule E/F.

Schedule G – Executory Contracts and Unexpired Leases. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred in preparing Schedule G. Moreover, the Debtors have entered into numerous confidentiality agreements with employees, customers and certain professional services firms which, due to their voluminous number, are not included in Schedule G. The Debtors reserve all rights with respect to such agreements. Omission of a contract, lease or other agreement from Schedule G does not constitute an admission that such omitted contract, lease or agreement is not an executory contract or unexpired lease and, as noted above, the Debtors reserve the right to amend Schedule G at any time to add any omitted executory contracts, unexpired leases and other agreements to which the Debtors are a party, including, without limitation, to add any executory contracts, unexpired leases and other agreements that the Debtors, due to the voluminous number of such contracts, leases and agreements, were unable to list on Schedule G at this time. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date or is valid or enforceable. The agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel

certificates, letters and other documents, instruments and agreements which may not be listed on Schedule G.

Any and all rights, claims and causes of action of the Debtors and their estates with respect to the agreements listed on Schedule G are hereby reserved and preserved. The Debtors and their estates hereby reserve all of their rights to: (a) dispute the validity, status, or enforceability of any agreements set forth on Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (c) amend or supplement Schedule G, as necessary, including, without limitation, to modify which Debtor entity is a counterparty to the agreement.

NOTES FOR STATEMENTS

Statement 3. Payments made to “insiders” during the 90 days prior to the Petition Date are excluded on Statement 3 to the extent that such payments are listed on Statement 4.

Statement 4. Upon information and belief, members of KRC Enterprises LLC are “insiders” of the Debtors as that term is defined in section 101(31) of the Bankruptcy Code. Payments to KRC Enterprises LLC, as well as certain payments to other parties, are included on Statement 4 for purposes of full disclosure and/or out of an abundance of caution. Accordingly, persons listed as “insiders” have been included for informational purposes only, and such listing is not intended to be, nor should it be construed as, a legal characterization of such person as an insider, and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses with respect thereto are hereby expressly reserved. Further, the Debtors and their estates do not take any position with respect to: (a) such person's control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Statement 7. The Debtors and their estates reserve all rights, claims, and defenses with respect to any and all listed lawsuits and administrative proceedings (or potential lawsuits and administrative proceedings). The listing of any such suits and proceedings shall not constitute an admission by the Debtors and their estates of any liabilities or that the actions or proceedings were correctly filed against the Debtors. The Debtors and their estates reserve all rights to assert that the Debtors are not an appropriate party to such actions or proceedings. The Debtors may not have included on Statement 7 certain parties that may have asserted informal workers' compensation claims or similar claims that were resolved or otherwise addressed without formal litigation or an administrative hearing or similar proceeding having been commenced.

Statement 11. Debtor BeavEx Incorporated made payments on behalf of all of the Debtors to various professionals retained by the Debtors for restructuring services and such payments are recorded in Statement 11 for BeavEx Incorporated.

Statement 14. In the ordinary course of the Debtors' business, the Debtors utilize the services of various short-term storage facilities to supplement the storage space of their terminals. The previous addresses listed in Statement 14 include only the terminal locations and do not include the storage facilities no longer in use by the Debtors, which information would be cumbersome to accumulate and of minimal utility to the Debtors' creditors.

Statement 16. The Debtors do not believe that they are in possession of personally identifiable information, however, may unknowingly have collected such information to the extent that a customer may have paid for services using personal credit information.

Statement 21. In the ordinary course of the Debtors' business, the Debtors hold a significant amount of goods on behalf of third parties which they are responsible for storing and transporting. The value is listed in Statement 21 as unknown as the value of such goods is knowable only by the Debtors' customers and such information may be confidential or otherwise cumbersome to accumulate.

Statement 26d1. The Debtors may have excluded from the response to Statement 26d1 certain landlords who may have requested copies of the Debtors' financial statements in connection with the execution and/or renewal of certain lease agreements.

Statement 28. As more fully described in the *Declaration of Donald Van der Wiel in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 2], the Eos Parties served their Abandonment of Securities of BeavEx Holding Corporation (the "Abandonment Notice") on the Debtors. In the Abandonment Notice, the Eos Parties stated that they were abandoning, relinquishing and surrendering all rights, title, and interests in and to any and all shares of capital stock of the Debtors owned by them (the "Securities") as well as any and all rights to distributions, any and all voting rights and any and all other economic, legal or other rights associated with the Securities. The Debtors have reserved any and all of their rights with respect to such action taken by the Eos Parties and have included the payments to the Eos Parties out of an abundance of caution.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
