Exhibit "A"

EXHIBIT "A" to Plan of Liquidation Retained Estate Litigation Claims

- 1. <u>Defined Terms</u>. This Exhibit "A" constitutes an integral part of the Plan of which it is a part. Defined terms in the Plan are to be given the same meaning in this Exhibit "A". The rules of construction set forth in section 2.01 of the Plan shall likewise apply to this Exhibit "A".
- Estate Litigation Claims Reserved. All Estate Litigation Claims are hereby retained and reserved by the Debtor and Estate, and shall all be transferred to, and vested in. the Liquidating Debtor pursuant to this Plan, and shall include without limitation all of the Estate Litigation Claims described below. In reserving and preserving Estate Litigation Claims against any named Person or category of Persons, it is the intent of this Plan to so reserve and preserve any and all Estate Litigation Claims against each such Person or category of Persons, including all such Estate Litigation Claims pursuant to any applicable common law, based on any contract or agreement or based upon any law, statute or regulation of any political entity. including the United States and any state or political subdivision thereof, as well as all applicable remedies, whether legal or equitable. Without limiting the generality of the foregoing, the reservation of Estate Litigation Claims against any Person, and the term "Estate Litigation Claims," shall encompass all Estate Litigation Claims against any such Person, including without limitation all such Estate Litigation Claims for breach of contract, all rights to enforce any contract, any form of estoppel, fraud, constructive fraud, abuse of process, malicious prosecution, defamation, libel, slander, conversion, trespass, intentional infliction of emotional distress or other harm, negligence, gross negligence, breach of any duty owed under either applicable law or any contract, breach of any fiduciary duty or duty of loyalty or due care, selfdealing, quantum merit, tortious interference, duress, unconscionability, undue influence, and unjust enrichment, as well as any cause of action for conspiracy to commit any unlawful act.

On August 16, 2017, the Debtor and DK8 filed the Motion to Approve Global Settlement Agreement and Mutual Releases [Docket No. 371] (the "Motion to Approve Settlement"). On August 31, 2017, the Debtor filed its Notice of Filing of Global Settlement Agreement [Docket No. 371], which includes as Exhibit "A" that certain Global Settlement Agreement (the "Settlement Agreement") between the Debtor, other Schnitzer Related Parties and Bernal Related Parties (as such terms are defined in the Settlement Agreement). If the Motion to Approve Settlement Agreement is approved by Final Order of the Bankruptcy Court, the retention and reservation of Estate Litigation Claims under the Plan, including without limitation those Estate Litigation Claims described in this paragraph 2 and in paragraphs 3, 4, 7 and 8 below, shall be subject to the releases and other terms of the Settlement Agreement.

- 3. <u>Chris Wilson/Travis Blackwood</u>. All Estate Litigation Claims against Chris Wilson and Travis Blackwood are retained and preserved for the benefit of the Estate and Liquidating Debtor, including without limitation all such Estate Litigation Claims for breach of fiduciary duty and other claims and causes of action asserted or assertable as a part of the litigation pending under *HBT JV*, *LLC v. Chris Wilson and Travis Blackwood*, Case Number 048-287220-16 in the 48th Judicial District Court of Tarrant County Texas.
- 4. <u>Bernal Litigation</u>. All Estate Litigation Claims against Victor Bernal, DK8, LLC, HBT Land, LLC, Kenneth L. Schnitzer, Jr., including without limitation all such Estate Litigation Claims asserted or assertable by the Debtor, Estate or Liquidating Debtor against any of them or any other party as part of the litigation pending under Adversary Case No. 17-04018-mxm in

the Debtor's bankruptcy case.

- 5. Rusty Wallis Honda ("RWH"). All Estate Litigation Claims against Rusty Wallis Honda, including for breach of contract, turnover, willful violation of the automatic stay, sanctions and civil contempt arising from RWH's refusal to provide a Manufacturer's Certificate of Origin to the Debtor in connection with a post-petition vehicle sale. Without limitation, such Estate Litigation Claims include all defenses and rights of offset asserted or assertable with respect to Claims held by RWH against the Debtor or the Estate.
- 6. Honda Cars of McKinney ("HCM"). All Estate Litigation Claims against HCM, including for breach of contract, turnover, willful violation of the automatic stay, sanctions and civil contempt arising from HCM's post-petition cancellation of bank check in the amount of \$28,570.54 and failure to pay for vehicle purchase. Without limitation, such Estate Litigation Claims include all defenses and rights of offset asserted or assertable with respect to Claims held by HCM against the Debtor or the Estate.
- 7. Preference Claims. All Avoidance Actions pursuant to section 547 of the Bankruptcy Code against any Person are hereby reserved and retained for the benefit of the Estate or Liquidating Debtor for any payment made to any Person by the Debtor within ninety (90) days of the Petition Date (which was February 20, 2017), or made by the Debtor to any insider within one (1) year of the Petition Date. A list of Persons who are believed to have received payments from the Debtor in excess of \$5,000 during the 90-day preference period, or who may be insiders who have received payments within one (1) year of the Petition Date, is attached to this Exhibit "A" as **Schedule "1"**. The Debtor and the Estate reserve for the benefit of the Liquidating Debtor all potential Claims arising out of or relating to the transfers reflected in **Schedule "1"**, including all Avoidance Actions pursuant to section 547 of the Bankruptcy Code. All rights and remedies are also reserved and retained with respect to the transfers reflected in **Schedule "1"** pursuant to section 550 of the Bankruptcy Code.

While the Debtor and Estate reserve all Avoidance Actions relating to the transfers reflected in **Schedule** "1", the Debtor recognizes that any such transfer is avoidable only if, among other things, the transfer was made while the Debtor was insolvent. Further, certain defenses may be available to the parties listed on **Schedule** "1", such as that a listed transfer was made in the ordinary course of business or that the transferee gave subsequent new value to the Debtor. Consequently, the listing of a payment on **Schedule** "1" does not necessarily mean that a transferee will ever be sued to avoid and recover the payment, but only that the Debtor and the Estate reserve all rights (including Avoidance Actions) as to that payment.

- 8. <u>Claims Against Officers, Managers and Members</u>. All Estate Litigation Claims are hereby reserved and preserved for the benefit of the Estate and Liquidating Debtor against all present and past officers, employees, members and managers of the Debtor, including all such Estate Litigation Claims based on breach of fiduciary duty, self-dealing, gross negligence or conspiracy. Without limiting the generality of the foregoing, this shall include all D&O Claims as against any present or former officer, employees, member or manager.
- 9. <u>Counterclaims</u>. All Estate Litigation Claims are retained and preserved for the benefit of the Estate and Liquidating Debtor both as a basis for an affirmative recovery against the Person against whom such Claims are asserted and as a counterclaim or offset against any Person who asserts a Claim against the Estate or Liquidating Debtor.

- 10. <u>Avoidance Actions</u>. All Avoidance Actions are hereby reserved and retained as to all Persons. The reservation of such Avoidance Actions shall include the reservation and retention for the benefit of the Estate and Liquidating Debtor of all rights and remedies pursuant to section 550 of the Bankruptcy Code.
- 11. <u>Estate Defenses</u>. Estate Litigation Claims include all defenses and affirmative defenses pursuant to applicable law, including without limitation, accord and satisfaction, assumption of risk, contributory negligence, duress, estoppel, failure of consideration, fraud, illegality, laches, license, payment, release, *res judicata*, collateral estoppel, statute of frauds, statute of limitations or response and waiver, and all such defenses are specifically reserved and retained by the Debtor and the Estate in favor of the Liquidating Debtor as against any Person asserting any Claim against the Estate. This includes the reservation and retention of the right of the Debtor, Estate and Liquidating Debtor to assert all Estate Litigation Claims as an offset to, or counterclaim against, any Person asserting a Claim against the Estate.
- 12. Equitable Subordination. All rights or remedies for Equitable Subordination are hereby reserved and retained by the Debtor and the Estate in favor of the Liquidating Debtor against any Person asserting any Claim against the Estate, including all such rights or remedies pursuant to section 510(c) of the Bankruptcy Code. Without limiting the generality of the foregoing, this shall include all rights and remedies to Equitable Subordination as to any Claim asserted by any insider of the Debtor.
- 13. <u>Insurance Claims</u>. All Claims of any kind which have been or may be asserted under any applicable insurance policy are expressly retained and reserved.
